

ATTENDANCE POLICY

Rationale: Students at Language Center International are expected to attend all their classes. Regular attendance is important for achievement and progress. Students who are often absent miss learning opportunities and active practice of English skills. They have more difficulty completing their assignments, being prepared for classes, understanding the materials taught, and improving their overall proficiency which is needed for advancement to a higher level of study.

ATTENDANCE REQUIREMENTS

1. Students are expected to attend all classes regularly, with a minimum of 80% attendance for each term of enrollment.
2. Students are expected to register only for classes which they can attend regularly.
3. Students are expected to be on time.
4. Students should not ask instructors or administrators to excuse their attendance absences. Instructors and administrators **CANNOT GIVE PERMISSION** for a student to be absent or excuse absences.
5. **F-1** students who miss **> 20% of full-time enrollment hours required for SEVP compliance** during a term are placed on attendance probation.
6. **F-1** students who miss **80% of full-time enrollment hours required for SEVP compliance** in any term are immediately dismissed.
7. **F-1** students who enroll on a reduced course load are subject to the non F-1 requirements listed in numbers 9 and 10 below.
8. Non F-1 students who miss **>20% of total enrollment hours** during a term are placed on attendance probation.
9. Non F-1 students who miss **80% of total enrollment hours** in any term are immediately dismissed.

ATTENDANCE STATUS: PROVISION OF INFORMATION TO STUDENTS

1. Students shall have real time access in EngradePro to their individual attendance information for their term of enrollment.
2. Students shall be given an attendance status progress report at the mid-point of each term of enrollment.
3. Students shall be given probation notices in writing for each term of unsatisfactory attendance.
4. Students shall be asked to attend a meeting with the Registrar whenever they have:
 - a. two consecutive attendance probation notices
 - b. five cumulative attendance probation notices.
5. An attendance history shall be maintained for the entire length of study for each student.

6. Students shall be given a complete attendance and/or probation history upon request at any time.
7. If a student does not agree with his/her attendance record or probation history, the student may request a review of the information in question contained in his/her record(s). Students should make their requests for review within two weeks of receiving an attendance and/or probation history.

EXCUSED ABSENCES:

The institution does not excuse absences.

MAKE-UP WORK:

Students who miss classes and who wish to fulfill their academic responsibilities for their term of enrollment must follow the institution's Make-up Policy. Students are advised to contact their instructors and/or the Registrar who will assist them in submitting allowable make-up work by defined deadlines.

PROBATION

Prior to receiving an attendance probation notice, students are given an attendance status report at the mid-point of each term. Students who have attendance marks other than present at the mid-point of a term of enrollment should review their attendance record and improve their attendance during the remainder of the term in order to avoid attendance probation status and possible unsatisfactory academic progress.

Students who miss >20% of their total registered hours for a term (or in the case of full-time F-1 students, their SEVP required hours) will be placed on attendance probation status.

Students who miss 80% or more of their total registered hours during any term (or in the case of full-time F-1 students, their SEVP required hours) will be immediately dismissed from the school and are not allowed to enroll at LCI for one term. Dismissal will result in the termination of an F-1 student's visa status.

First-term F-1 students transferring out to another school who are in attendance probation status at the end of their first term will be transferred in terminated status. F-1 students who have completed more than one term at LCI must not be on attendance probation status at the time of transfer in order to transfer in good standing.

SUSPENSION/DISMISSAL:

Attendance probation is cumulative. Students who receive six attendance probations within thirty-six months of study shall be dismissed. Students who receive three consecutive attendance probations shall be dismissed.

Students dismissed from the school may not return for one term. Re-admission of all dismissed students is reviewed in accordance with the Disciplinary Action Policy prior to re-admission.

Dismissal of an F-1 student will result in the termination of the student's F-1 visa status. Reinstatement or departure from the United States will be required.

TRACKING ATTENDANCE

Attendance is reported electronically for each class by each instructor. Attendance sheets are also submitted to the Registrar each week. Attendance information is recorded in each student's record. Every student's attendance is tracked for each class. A numerical percentage is calculated at the end of each term of enrollment for each student based on that student's total enrollment hours. A minimum of 80% is required for acceptable attendance.

ARRIVING LATE (TARDINESS) AND LEAVING EARLY (EARLY DEPARTURE)

Students are expected to be in class on time and to remain in class until the class ends. Students are also expected to return to class on time after scheduled class breaks. Students who arrive late or leave early will be marked with a T (Tardy) or D (Early Departure) in all classes. A combination of four (4) T or D marks in a class will count as one absence for that class.

LEAVE OF ABSENCE/MEDICAL AUTHORIZATIONS:

In accordance with the Code of Federal Regulations (8 C.F.R. § [214.2\(f\)\(6\)\(iii\)\(B\)](#)), F-1 students may be placed on a reduced course load or full medical authorization for non-attendance during a term with proper medical substantiation. "In order to authorize a reduced course load based upon a medical condition, the student must provide medical documentation from a licensed medical doctor, doctor of osteopathy, or licensed clinical psychologist."

The above exclusion for proper medical documentation shall extend to all other LCI students regardless of their visa category.

Students shall be responsible for maintaining the minimum acceptable attendance of 80% for the dates of authorized attendance in accordance with the Code of Federal Regulations.

LATE START STUDENTS:

1. Students who have completed one or more terms at the institution and are in the United States on or before the first day of the term of enrollment in progress are not "late start" students. Attendance absences shall be counted from the date of the first day of classes for the term regardless of the student's date of enrollment as students had the ability to begin classes on time.
2. Initial or transfer-in students who are in the United States but who have not applied to the institution for admission on or before the first day of the term of enrollment in progress are "late start" students. Attendance shall be counted from the student's date of enrollment. Students shall be responsible for maintaining the minimum acceptable attendance of 80% from the date of authorized enrollment.
3. Initial, continuing or transfer-in students who arrive in the United States after the date of the first day of classes for the term due to visa processing (visa granted after the start date of the term in question) or documented travel delays beyond their control shall be considered late start students. Attendance shall be counted from the student's date of enrollment. Students shall be responsible for maintaining the minimum acceptable attendance of 80% from the date of authorized enrollment.
4. Initial students who receive a change of status to F-1 after the first day of the term of enrollment in progress are "late start" students. Attendance shall be counted from the student's date of enrollment. Students shall be responsible for maintaining the minimum acceptable attendance of 80% from the date of authorized enrollment, which should begin no later than one week from the date of visa approval.

WITHDRAWALS:

1. Leave of Absence

2. Full Medical Authorization
